## RE: INTRODUCTION OF 1" METALLIC PUMP

JDA GLOBAL is pleased to announce the introduction of the 1" metallic (aluminum) pump, which serves as a 100% retrofit to a leading OEM brand with emphasis in auto, lube station and truck applications. This intro is part of our SPECIALTY PUMP product line.

The 1" aluminum model is available in bolted configuration, with PTFE and Buna elastomer options.

The compact design and proven air valve technology allows for inter-changeability and consistent performance.

For nomenclature and price, contact JDA GLOBAL.
